We hereby confirm that your Schemes UNE 155001-1:2001 and UNE 155003-1:2001 has been benchmarked successfully to the EUREPGAP "Fruit and Vegetables" Normative Documents based on the decision of the Technical and Standards Committee "Fruit and Vegetables" on 10th October 2001.

We have further been notified that AENOR Certification has achieved the necessary dual accreditation so that Certificates issued to the above mentioned schemes by AENOR Certification Body have full EUREPGAP Benchmarking approval.
